Greetings Lake, Sonoma and Mendocino County Restaurants and Caterers,

We hope you're having a busy and prosperous 2023. We would like to invite you to be a competing cook at the 5th Annual Lake County Beer, Wine and Swine Baconfest that is held in Kelseyville on Fathers Day June 18th.

This year we are excited about some enhancements to the Lake County Beer, Wine and Swine Baconfest which will feature a car show, more competitive cooks, two bands, a magician, lots of vendors, regional craft breweries and wineries. We're growing this culinary festival a little more each year and we hope it will eventually become one of the largest of it's type in Northern California. Last year was a huge success as we estimate that there were over two thousand visitors.

Like last year the Kelseyville Business Association will offer the competing cooks \$500 to help offset food and labor costs and in addition we will provide a case of bacon from a bacon supplier. This event provides you with a golden opportunity to have your business or school in front of a large audience where you can show the public what your business is capable of doing. We encourage all business and schools to put their competitive best foot forward and give it your all.

We will have food judging and some very nice prizes for the top three cooks

1. First Place \$1000 and the right to be called the Bacon Master!
2. Second Place \$500
3. Third Place \$250

As always we thank you and look forward to hearing from you soon. If your interested and want an application please contact Two Chicks Events at:
